TEACHER EXECUTION & SCALABLE OPERATIONAL SOP PLAN

Tajweed & Seerah Institute — Hybrid Self-Paced + Async Accountability

1. Executive Business Strategy: Scaling to 200+ Students per Teacher

The Tajweed Master platform utilizes a Scalable Hybrid Model. Software delivers 80% of the content (3D Mouth Visualizers, 0.5x Slow Qari Audio, 30 Seerah Modules), while Teachers provide 20% high-leverage human accountability (Async WhatsApp/In-app voice audits and weekly micro-check-ins).

Model Type	Capacity per Teacher	Monthly Margin / Scalability
1-on-1 Live (30 Mins)	35 to 40 Students Max	25% - 35% Margin (Low Scale)
Scalable Hybrid Model	150 to 250 Students	60% - 80% Margin (Exponential Scale)

2. Teacher Weekly Workload Allocation (15–18 Hours / Week)

- **Mon–Thu Async Audits (2 hrs/day):** Process 40-60 voice notes daily on WhatsApp/App (<2 mins per student).
- **Daily WhatsApp Nudges (30 mins/day):** Send 1-click friendly re-engagement audio to inactive students (>48 hrs).
- **Fri-Sat Live Check-ins (3 hrs/day):** Conduct 12-18 10-minute micro-sessions for stage graduation tests.
- **Sunday Live Cohort Q&A (1 hr):** Host 1-hour live Q&A and Seerah life application circle for all 150+ students.

3. The 4-Step Daily Audio Audit Protocol (2 Mins per Student)

- **Step 1: Open Notification Queue:** Filter incoming student voice recordings in assigned dashboard.
- **Step 2: Listen at 1.25x Speed (25s):** Compare student pronunciation against target makhraj or tajweed rule.
- **Step 3: 3-Part Voice Feedback (30s):** 1) Validate correct part, 2) Isolate error & anatomy, 3) Model clean 5s sound.
- **Step 4: Update Dashboard (15s):** Toggle Stage Pass (Green) or Revision Needed (Yellow) in ClassroomView.

4. Teacher Audio Scripts & WhatsApp Templates

A. Stage Approval & Praise Audio Script:

"Assalamu Alaikum [Name]! MashaAllah, I just reviewed your Stage 2 Throat Letters recording. Your pronunciation of Haa and Ayn is authentic and clear! You are officially passed for Stage 2. Keep up the amazing work!"

B. Targeted Makhraj Correction Audio Script:

"Assalamu Alaikum [Name]! Great effort on Letter Dhaad. You are currently pronouncing it like a regular Daal. Touch the side edge of your tongue against your upper molars like this: [Insert 5s sample]. Try it 3 times and send me a recording!"

C. 48-Hour Inactivity Re-Engagement Text Template:

"Assalamu Alaikum [Name]! Noticed you haven't logged into Tajweed Master in 2 days. Spending just 5 minutes today on your commute will keep your 7-day streak active! Reply back if you have any questions."

5. Seerah Journey Teaching & Life Accountability

Seerah is taught as an active blueprint for character excellence, emotional resilience, and workplace leadership:

- **60-Second Audio Reflection:** Students submit weekly voice responses on applying Prophet Muhammad's (pbuh) character at work/family.
- **Sunnah Action Challenges:** Teachers track completed real-world challenges (e.g. practicing patience, resolving workplace conflicts).
- **Era Certificates:** Award Makkan Era Scholar (Modules 1-15) and Madinan Era Leader (Modules 16-30) certificates.

6. Teacher Quality Control & SOP Summary

- **Daily Audit Slot:** Log into dashboard daily at designated audit time (9:00 AM or 8:00 PM).
- **Turnaround Promise:** All student voice notes must receive audio feedback within 12-24 hours max.
- **Student Retention:** Send weekly audio nudges to any student flagged yellow on dashboard (>48 hrs inactive).
